

174th Attack Wing, Hancock Field ANGB 2016 Tour Request Form

Tour Dates: Tours are given on select weekends between the months of April and October. You have the option of two different time slots on most months, one on Saturday and one on Sunday. Please select your preferred tour date and time from the list below.

Access to Base: Due to parking limitations on base, tour groups must park all vehicles at the **OCM BOCES facility at 6820 Thompson Road, DeWitt**. Fifteen minutes prior to your scheduled tour, an Air Force security detail and bus will meet you at the BOCES facility to transport you on base. **No backpacks, cell phones, cameras or other electronic devices are permitted on the bus.** At least seven days prior to your tour, you must email the Public Affairs office (usaf.ny.174-atkw.mbx.pao@mail.mil) with the names (last name, first name), dates of birth (DOB), driver license numbers, and state (s) where issued for all members of your tour party. **If we do not receive this information, we will assume you are no longer interested in touring the base and your tour will be cancelled.** All tour participants 12 years old and older must sign a release form prior to accessing the base.

Tour Stop: A typical base tour will consist of a visit to the following location: MQ-9 Reaper Field Training Facility, 274th Air Support Operations Squadron and the 152nd Air Operations Group. If your group has a particular interest outside this tour stop, we will do our best to accommodate your request.
